# Director General's Communique

**Dr. Ashok Joshi**

Director General, IndSearch

- Founder Dean, Faculty of Management, University of Pune.
- Former President, Association of Indian Management Schools.
- President (2013–15), Association of Management Development Institutions in South Asia (AMDISA).

IndSearch was established in 1973 by a group of academicians and management professionals as an Institution devoted to teaching, training, consultancy and research in Management. The Institute has been recognized as an educational and research organization by the Government of Maharashtra and as an Advanced Centre for Doctoral Studies by the Savitribai Phule Pune University to which it is affiliated.

Recognizing exemplary educational and research accomplishments, the UGC and the SPPU, granted Autonomy to IndSearch in July 2007. Autonomy provides the freedom to IndSearch to introduce need based programmes and to enhance the syllabi of the existing programmes on a concurrent basis so that students get an enhanced learning experience preparing them for the changing needs of the business community. The degrees for all the courses offered by IndSearch are conferred by the Savitribai Phule Pune University, enabling IndSearch to provide cutting edge education built on the strong foundations of a respected University.

Students at IndSearch, experience a rich learning environment that helps them to excel in their chosen careers, while inculcating in them the core values of honesty, integrity and commitment. We help students to sharpen their skills and enhance their knowledge through various co-curricular and extracurricular activities. A unique blend of theory and practical makes IndSearch students an asset to the organizations that they work with.

I believe at IndSearch, you will have a fulfilling experience that will lead to a holistic development of your personality.

I welcome you as a prospective student to IndSearch.

*Yours Sincerely,  
Dr. Ashok Joshi.*

## Director's Word of Advice

Dear Student,  
Thank you for the interest shown in IndSearch, Pune!!

A pioneer in Management education in Pune, IndSearch is committed to excellence in all its endeavours. Academic rigour and intellectual discipline are a part of the IndSearch culture through which we strive to create corporate citizens and entrepreneurs who can contribute to creating a vibrant and caring society.

IndSearch offers Bachelor's degree courses in Management studies and Business Administration (BMS and BBA) specializing in vital disciplines of Finance, Human Resource, Marketing, Supply Chain Management, Computer Applications and International Business. The degree programmes follow a semester pattern and have a credit and grading system, which is at par with global standards. These degrees are awarded by the Savitribai Phule Pune University.

Our approach to teaching and learning has a clear business focus that encourages team working and the evolution of socially conscious thought leaders. The teaching and learning pedagogy has innovative modules that incorporate Case Learning, Leadership Development, and International Languages, etc. These courses enrich the curriculum and the teaching and learning process with inputs on contemporary issues of concern. Students of IndSearch are also sensitized to issues of Social Concern such as communal harmony, environmental awareness, conditions of work and livelihood in the unorganized sector, and ethics.

IndSearch encourages proactive learning among its students. Self-organized small group activities, ranging from case discussions and field studies to industry analysis and projects, help our students link a strong theoretical foundation to workplace realities. Through these initiatives, we aim to develop:

- ▶ Analytical, Problem-Solving and Decision-Making Skills.
- ▶ Awareness of the Socio-Economic Environment.
- ▶ Personality and Leadership Qualities of our students.

I wish you success in all your endeavors and welcome you to IndSearch.

*Yours Sincerely,*  
*Dr. Aparna Tembulkar.*

The autonomous status is a boon as the institute can design new courses and update the syllabi of various existing courses regularly, thus enhancing the quality of education on a continuous basis. This enables IndSearch to respond quickly to the needs of the industry as well as the student community.

## **Making students industry ready**

IndSearch Career Development Cell, works towards grooming students to become dynamic, competent, socially conscious and ethical professionals. This overall development begins right from day one of the students life at IndSearch, which includes inputs in areas of core-competency, industry- preparedness and overall personality development.

## **Strong academics**

IndSearch is committed to excellence in all its endeavours and encourages academic rigour, intellectual discipline and sustained effort to maximise learning. IndSearch provides young management professionals a supportive environment in which they can assume responsibility for continuous self- development.

At IndSearch, students, scholars and Industry Experts share knowledge, skills and efforts to develop professionals who will contribute to building a vibrant economy and a caring society.

To cater to special needs of syllabi in light of certification by professional bodies and also to give students a competitive edge at global stage, IndSearch has crafted special teaching learning modules.

# Well Equipped Computer lab

To provide its students with the best learning aids, IndSearch has a ergonomically designed Computer Lab where future managers will get an opportunity to nurture their skills and potential according to the needs of global market and as per the benchmark of the international standards.

The lab supports 24 x 7 Internet Access. The hardware consists of branded hardware from Dell, IBM, Acer. The Institute believes in making learning creative and interactive by using computer networks. The systems in the computer labs are backed for power through UPS. The computer labs have latest state of art hardware and software.

## Special training modules and workshops

### ***Corporate Interaction:***

IndSearch has a sustained and ongoing relationship with the industry. With its innovative 'management development programmes' and 'consultancy projects' in the functional areas of management, it has successfully made forays into executive education.

### ***Case Learning Workshop:***

This module enables students' to study, understand and analyse real-life workplace situations and enables problem-solving through case based learning.

### ***Soft Skills:***

IndSearch grooms students to be Industry ready by imparting Soft Skills training. This includes modules on ethics & etiquettes, communication skills and presentation skills.

### ***Nature and Biodiversity Trail:***

Students are encouraged to organise trekking expeditions with the help of faculty members of the institute.

# Society, Environment & IndSearch:

IndSearch has always been sensitive towards social and environmental issues. The concept of IndSearch Biodiversity Campus is just a natural extension of this thought. Providing a holistic education amidst the environs of nature, a key concept behind having such a campus is to take education beyond the confines of classroom.

Some of the other activities undertaken by IndSearch like Community Service, traffic awareness, Blood Donation Camp, NSS camp, Donation to blind school & A Life Long Association (IndEx, IndSearch Alumni Network), are a testimony of the institutes commitment towards the society & holistic grooming of the students.

## ***Biodiversity Campus at Bavdhan:***

IndSearch Educational and IndSearch Society's Biodiversity Campus at Bavdhan has been developed to achieve sustainable development, which is socially relevant, and environmentally friendly. The institute is dedicated and committed to developing management professionals who will contribute to building a vibrant economy and caring society. This campus is a step further in making the students environmentally sensitive, which is the need of the hour. The Campus boasts of a modern five station gymnasium that helps budding bodybuilders with free facilities.

The campus is home to a number of diverse life forms. Several indigenous species of flora and fauna requiring protection for regeneration have been carefully cultivated. The campus has a centre for sports and creative activities, along with basketball and volleyball courts and a jogging track. A large amphitheatre has also been constructed using the natural slope of the hill for a natural outlook.

# Summer internship programme :

Students take up summer internships for 2 months with leading organisations to get hands on experience of management practices in the corporate world.

The students can be given any work in their area of functional specialisation to understand organisational realities. Based on their work experience, students are required to prepare and submit a project report.

## ***Trek to Biodiversity Campus.***

The IndSearch Institute of Studies and Research Management organized a trek in the Biodiversity Campus of IndSearch. Conducted by ecologist Kaustubh Moghe, this is one such activities planned to know our campuses and its surroundings better.

About 63 students joined the trek and all the students were very excited and thrilled to experience this one of its kind activities. Mr. Moghe explained the students, importance of such activities and informed them to be careful and vigilant all through the trek. He also asked the students certain questions related to the observation they had during the trek. Overall, this activity gave the students a deep sense of environmental management, its resources, and its importance to maintain an ecological balance in the world.

## ***Marathi Plays***

Pune exemplifies an indigenous Marathi culture and ethos, in which education, arts and crafts, and theatres are given due prominence. We at Indsearch encourage students to participate in the theatre for their overall personality development.

Working as a team is perhaps the best experience wherein students can imbibe numerous skills such as teamwork, delegation, collaboration etc. all this culminating into holistic and multidimensional development.

The ***Purushottam Karandak*** is an annual inter-collegiate Marathi one-act play competition where students from across Maharashtra representing their respective college participate. This inter-collegiate one-act play competition is known for giving a platform to amateur actors, some of whom have become professional actors, directors and playwrights.

## Community Services

*'The best way to find yourself is lose yourself in the service of others'.*

We believe that students should learn & understand their responsibility towards the society. They should learn to be empathetic towards the happenings in the society and try to contribute their bit to the well being of the society.

### **Swachh Bharat Abhiyaan 2022**

Swachh Bharat Abhiyan is a clean India campaign run by the Government of India to achieve the goal of cleanliness and hygiene all over the India to lead it towards development. This campaign was introduced by the Prime Minister, Narendra Modi, and was launched on 2nd Oct 2014 to honour Mahatma Gandhi's vision of a clean country. IndSearch students undertook Swachh Bharat Abhiyan at Chaturshrunji temple and Vetel Tekdi. Shramdan activities were carried on 28th and 29th of September 2022 by our students at Chaturshrunji temple and in various areas of Vetel Tekdi by the students. The motive was to create awareness among the people to keep the surroundings clean. The students were excited and enthusiastic for this drive.
