IndSearch has been conducting Post Graduate Diploma Programmes for more than 40 years which are affiliated to Savitribai Phule Pune University. These Programmes enable the students to establish themselves as professionals in various fields or to engage in service sector and enhance their career in management field.

- 1 Post Graduate Diploma in Financial Services (PGDFS)
- 2 Post Graduate Diploma in Human Resource Management (PGDHRM)
- 3 Post Graduate Diploma in Marketing Management (PGDMM)
- 4 Post Graduate Diploma in Operations and Supply Chain Management (PGDOSCM)
- 5 Post Graduate Diploma in Sustainability Management and CSR (PGDSMCSR)
- 6 Post Graduate Diploma in Information Technology Services Management (PGDITSM)

Following Savitribai Phule Pune University affiliated one year diploma programmes are offered at IndSearch, Law College Road campus, Pune 411004.

1. Post Graduate Diploma in Financial Services (PGDFS)

The finance sector is evolving rapidly, demanding strong conceptual and practical expertise. PGDFS equips participants with core and advanced knowledge in finance, banking, investments, and financial services. Designed for both working professionals and fresh graduates, the program blends theory with real-world insights to prepare them for dynamic roles in the financial ecosystem.

2. Post Graduate Diploma in Human Resource Management (PGDHRM)

Human Resource is undergoing major regulatory and strategic changes with new labour codes and evolving workplace practices. PGDHRM integrates core HR functions with contemporary practices and regulatory insights. It is suited for professionals seeking career growth and graduates entering the HR domain.

3. Post Graduate Diploma in Marketing Management (PGDMM)

Marketing has been transformed by digital platforms, data analytics, and customer-centric strategies. PGDMM combines traditional marketing fundamentals with emerging areas such as digital, social media, rural, and retail marketing. It is ideal for professionals aiming for leadership roles and graduates seeking impactful marketing careers.

4. Post Graduate Diploma in Operations and Supply Chain Management (PGDOSCM)

Supply chain management has become a critical strategic function in a digital and competitive environment. PGDOSCM covers core operations concepts and modern supply chain strategies. The program prepares participants to manage complex supply networks and drive operational excellence.

5. Post Graduate Diploma in Sustainability Management and CSR (PGDSMCSR)

Sustainability and CSR are now central to business strategy and long-term value creation. PGDSMCSR provides conceptual clarity and practical tools to address sustainability challenges. It prepares participants to lead responsible and sustainable business practices.

6. Post Graduate Diploma in Information Technology Services Management (PGDITSM)

Effective IT service management is vital in today's digital economy. PGDITSM builds strong foundations in IT infrastructure, networks, databases, and service management. It also covers advanced areas like IT security, governance, analytics, and strategic alignment, preparing participants for leadership roles in IT services.
